Comments (Statistics Korea):

Life tables 1970-2014 including life expectancies, expectation of life at age which were disseminated in the past are changed from 2th December 2016. (Reason for changing : improvement of calculating method in life tables 1970-2014, elimination of resident registration age correction factor in life tables 2005-2014)

※ For more information, see life tables 2015 and the appendix.
