Life expectancy; gender, age (per year and five-year period)

: Modified on: 17 May 2019

Welcome to the new version of StatLine X

You are led directly to the correct table in the new StatLine and see a standard presentation.

- You can adjust the layout by dragging, for example, from the header (in the header) to a row.
- You can change the selection by choosing other items; click on the filter icon next to a subject or layout.
- The recording of a link has changed. By clicking on the share icon, a special link is created that records the current selection from the table.
